A CHAPTER'S HUMBLE BEGINNINGS

Well, after much talk and kicking around the idea for about a year, a positive move was made on a warm Saturday afternoon, December 2, 1995, when seven FCA members and their families met at the home of Orville and Joy Reynolds in the piney woods of northeast Texas. "The Idea" was the formation of a local chapter of the Falcon Club of America.

Already being members of other FCA chapters, these "Magnificent Seven" imaginative members knew what they were getting into. Officers elected were David Gunnels, president; Orville Reynolds, vice president; Janie Carter, secretary; and Linda Gunnels, treasurer. A name for the chapter, area boundaries, a meeting schedule, dues, and goals for the chapter were discussed and agreed upon.

A calendar of events, including the many cruises, swap meets and local car shows, was discussed. By participating in these local events as a club, our members can spread a little "Falconism." There are a lot of Falcon owners in our area who need to see that we share the same enthusiasm they do. That new member is just around the corner, and he/she just needs to know we're out there waiting to welcome them.

The **North East Texas Chapter** is looking forward to a strong and eventful relationship with the Falcon Club of America and all its members.

Tech Tip

Alternating Currents

When you look under the hood of a restored (or new) car, the alternator is usually clean. Unfortunately, it's tough to keep it that way. You see, the restorers often "re-skin" alternators or install NOS assemblies.

There is an alternative and it's inexpensive. Try glass-beading the case, followed by a very light topcoat of clear enamel. The alternator will look like new and it will stay that way. Be sure the alternator is totally disassembled before you attempt this.

Chapter News

Editor's Note: This is the Chapter News that I didn't get in the May issue of the News.

The 7th annual banquet of the **Keystone Chapter** was held at the Candlelight Restaurant in Bethlehem, Pennsylvania, with 26 members attending. After dinner a meeting was held and door prizes were given to everyone. All who attended enjoyed the evening.

Thirteen members attended the March meeting of the **Sooner State Chapter** at the Holiday Inn in Shawnee, Oklahoma. Two prospective new members also attended. The chapter enjoyed a buffet lunch before the meeting. The next meeting is scheduled for June 29 at the Best Western Motel in Stroud, Oklahoma. Call Lloyd Lang at 918/733-4218 or Jerry Miles at 405/478-1550 for more information.

The **Founder's Chapter** held their March meeting in Benton, Arkansas, at the home of James and JoAnn Beckwith. After enjoying a hot dog lunch and watching the Arkansas-Kentucky basketball game, the business meeting was held. Plans were discussed about helping with the Dale Horn car show in Malvern, Arkansas, in April. They also made plans for hosting the Hospitality Room at the Nationals in Springfield in July.

The March meeting of the **Blue Ridge Chapter** was attended by 22 people. New club shirts were designed and ordered. Plans were made to cruise to Town & Country Ford in May to participate in the Carolinas Chapter annual Falcon car show, and they are preparing for their Regional Meet in September.

The **Mid America Chapter** held their March meeting at the Western Sizzlin' Restaurant in Grandview, Missouri, with 25 members present and two Falcons driven. The All Ford Show that was planned for June 23 in Lenexa, Kansas, is being canceled.

Thirty-one members and guests were present at the monthly meeting of the **Carolinas Chapter** that was held at the Tryon House Restaurant in Charlotte, North Carolina. The members attending approved the decision to incorporate their chapter. Plans were made to attend the Suncoast Chapter's Regional Meet. Also discussed were their Falcon show at Town & Country Ford and their 2nd Regional meet that will be held in September.

The **Mason Dixon Chapter** is gearing up for a very active summer after holding their annual banquet in March. Forty members and guests attended for a great time of fellowship and Falcon talk. They are making plans to convoy to the 1996 Nationals in Springfield, Missouri, in July. Their 10th annual Smith Ford meeting is set for May 18, and on June 7-9 they will be attending the Carlisle, Pennsylvania, All Ford National.

There was a good turnout for the latest meeting of the **Heart of Texas Chapter**. Many shows and cruises are on their list of activities for the upcoming summer months.

Eleven people driving four Falcons, one Thunderbird and one Subaru from the **River City Chapter** recently attended the 81st Annual Almond Festival in Capay Valley, California. The plans for their Regional to be held June 21-23 are going great.

Several members of the **Suncoast Chapter** braved the cold weather to attend the AACA car show in Bradenton, Florida. Final plans are being made for their 6th annual Regional meet on April 18-20.

Chapter News

The **Founder's Chapter** helped to co-host the Dale Horn Car Show in Malvern, Arkansas, in April. This was the 7th annual "Get-Together" they've taken part in. There were a lot of beautiful cars to admire (all makes and models, classics, street rods, trucks, etc.). One of their members, Waldo Dahlstedt of Arkadelphia, took home a trophy for the best original '60s model with his 1961 Falcon 2-door sedan. The weather was perfect, and a good time was had by all.

Thirty-four members and guests attended the April meeting of the **Carolinas Chapter**. Discussions included their annual All Falcon Show at Town & Country Ford being held in May and the 2nd Annual Carolinas Regional that will be held September 20-21 at the Holiday Inn-Woodlawn in Charlotte. The club has also planned a mountain trip/picnic for May.

The **Star City Chapter** has its first formal meeting Sunday, April 14, 1996, at the home of President Marty Lovelace. Six members were present and three Falcons. They discussed a regular meeting date and time, and the possibility of the members participating in Nostalgia Night at Rocco's in Christiansburg.

Planning their 3rd annual Regional Falcon Meet is the **Northeast Chapter**. It will be held on August 16 and 17 with their 5th annual All Ford Show happening on August 18 at the Ramada Inn, Auburn, MA. For info, call Ray Chevalier at 401/934-2105.

Some of the activities of the **Mile Hi Chapter** include potluck supper meetings at O'Meara Ford and Phil Long Ford. A Mexican food night was held at member Todd Smith's new business called FordSmith Garage. They also participated in a large tri-state auto show at the Denver Convention Center. Eight of their members had their Falcons on display, and as a result the chapter picked up several new members. There will be quite a caravan of chapter members driving to the Nationals this July, and plans are in progress for this fun event.

Not a Hobby — My Transportation!

I bought my car brand new - thirty years ago and never drove another! Sure, it needs more fixing but it takes me where I want to go. How dare they call our cars "Klunkers"! I'll fight and so will you — we're in the same boat - oops, Falcon.

I Have A Favor To Ask!

For some time now I have been trying to convince the Ertl Co., formerly AMT, to produce a 1964-1965 Stock/AFX Falcon model car. The first time I spoke with Tom Walsh, he was less than enthused about the project, even though his competitor, Revell, had done very well with its Ford Thunderbolt model. Since AMT did the original Falcon model, he asked me to convince him to do it again.

I sent him a package of materials to help make up his mind. The package contained: a three-page letter with some history; a Falcon Club of America directory (to show how many people are actually Falcon enthusiasts); a booklet showing National show winners by category; the Birth of Drag Racing video with actual footage of AFX Falcons racing. The real convincing thing is that I had contacted Mr. Brent Hajek who owns a real AFX Falcon and got his permission for them to use it for their measurements and sent photos. (Mr. Hajek also owns the Thunderbolt that Revell used to make their model.)

Please write to him and urge him to build this model at The Ertl Co., Attn: Tom Walsh, P.O. Box 500, Dyersville, IA 52040-0555.

Thanks,
Wally Smith, Lone Star Chapter
